

**Have a Child Who Loves to Sing?  
Cantabile Youth Singers Invites You to *Come Sing With Us!***

Cantabile is a community-based children's chorus serving the greater Silicon Valley area, striving to bring the highest quality musical education in a choral setting to young singers from ages 4 years to 18. With our carefully planned and innovative curriculum, we are committed to building a life-long foundation in choral musicianship, music literacy and appreciation, while also fostering a caring and supportive family-atmosphere for friendships to grow and continue throughout the years. We offer a number of after-school classes and choirs, each featuring a wide range of musical activities, including singing, movement, improvisation, instrumental activities, and musicianship. We perform in three self-produced concerts each season and tour each year. Come sing with us as we embark upon our exciting 2017-18 season!

Classes begin in early September and are conveniently located in Los Altos. No audition is necessary for our Preparatory classes for children in grades K-2. An audition or informal interview is required for grades 3 and up.
