I, _____, understand that being in the cast of 101 Dalmatians is a privilege. I also realize that everyone has to do his/ her part to make this production a success. I will work hard at rehearsals, listen and be respectful. I will also memorize my lines, practice my songs/choreography at home and come prepared. I understand that if I am repeatedly disruptive I may be removed from the show, without a refund of my registration money. I understand that participation in the entire audition process is required.
