PTA Membership

There are numerous parent groups out there, but there is only one PTA. Connecting families and schools for 120 years, PTA is the largest children's advocacy organization in the country. Here are just a few reasons to join PTA:

- Find out what's happening in your school.
- The PTA offers a variety of programs and materials for students, parents, families, schools and communities.
- PTA gives you a "seat at the table" when important decisions are made about your child's school.
- By becoming a PTA member, you'll be demonstrating to your child the importance you place on education.
- Becoming a PTA member does not mean that you automatically sign up to volunteer at your school, although we always welcome your help!
- Our members have helped advance local, state and national laws and policies to improve the education, health and safety of all children.
- PTA members enjoy exclusive member perks including discounts on school supplies, rental cars and wireless services click [here](#) for details.
